“Be the change that you want to see in the world.”

Summary

I started high school in 2017 at W.H. De Klerk school in Witbank and left school in early 2022.

I followed an early childhood development curriculum. I was selected several times as one of the top 10 best performing students in my grade in 2018, 2019, 2020 and 2021. I was also a prestige learner achieving all my subjects above 80 %.

I am a very honest person and will do my best to lift the image of the company. If I'm struggling with something I won't give up till I know I can do it, I'm not a lazy person.

You can trust me and see for yourself.
